

FINANCE, STRATEGY &
BUSINESS MANAGEMENT

Who we are

Cost, Performance Management & Results Maximization

In a competitive & challenging market environment, companies have to hire specialized services, at the right price, for just enough time to solve their problems, guaranteeing agility and focus on implementing actions with the required quality and excellence.

Resulta Corporate Consulting was born from the merger of experienced professionals with the idea of converting knowledge in added value for its clients.

Vision

Be a reference of effective solution for any company which looks for consultancy services.

Mission

Provide consulting services with absolute competence, objectivity and commitment, building a history of transparency, respect and integration between Resulta professionals and its clients.

Philosophy

Growth and consolidation are result of reliability, which is the natural consequence of a work with absolute excellence, capability and customized service, surpassing client expectation. Resulta is a company oriented to long range results, with client satisfaction as priority, which automatically turn out to be a source of new opportunities, generating steady and sustainable growth.

Our Team

Resulta has a competent renowned Senior Consultants & Associates team, with constant integration and recycling program, which represents an impressive differential for the projects we execute.

Since 2003, Resulta has aggregated over than 150.000 consulting hours, in more than 600 projects and 150 clients from a broad spectrum of sizes and activities, in Brazil and abroad.

Resulta has contributed in a meaningful way for their evolution and growth throughout a committed and efficient work, not being restricted in the boundaries of a simple diagnose and counseling, but directly acting in the whole projects implementation, until their complete success.
